

Clax 100 L Crystal

Superior Performance Detergent

33E1

CLAX 100 L Crystal is a fully built, advanced laundry detergent with built-in alkali booster for light and heavy soils. Clax 100L Crystal is for most of the fabric used in OPL and commercial laundry that is cottons, polyesters and cotton-polyester blends.

Features and Benefits

- ▶ Combined detergent with builder booster hence no need for additional alkali booster.
- ▶ Special non-ionic formulation provides excellent detergency on all types of fatty soils.
- ▶ Quickly removes and suspends dirt particles.
- ▶ Presence of a high level of anti-redeposition polymers prevents re-deposition during wash-cycle and eventually prevents fabric graying.
- ▶ High level of water hardness sequestrants ensures prevention of scale build-up and maintain linen whiteness.
- ▶ Presence of optical brightener, whitens and brightens the fabric.

Use Overview

Directions for use

The prescribed dosage is between 5-15 gm/kg of dry load depending on wash temperature, soil level, type of linen, water hardness and performance required. Our Technical Customer Service Personnel will be happy to advise on appropriate dosages and suitable wash processes for your laundry.
