

Clax 100 S

Liquid Emulsifier Concentrate

2BL1

CLAX 100 S is a specially formulated liquid emulsifier for effective cleaning of fabrics regularly exposed to mineral oils and grease stains such as chefs' uniforms, mechanics' overalls etc...
CLAX 100 S increases effectiveness of normal laundry detergents. It actively removes these types of soiling from fabrics.

Features and Benefits

- ▶ Removes mineral oils effectively.
- ▶ Helps maintain the colour of materials soiled by mineral oils, and thus prolongs material life.
- ▶ Easy to use. It is added with the detergent directly into the mainwash.
- ▶ Very economical in use. CLAX 100 S is a concentrate thereby requiring a very minimal dosage.
- ▶ Suitable for washing delicates.
- ▶ Has good foam-control properties, thus ensuring optimal washer mechanical action.

Use Overview

Directions for use

Recommended for coloured materials, particularly polyester and cotton.

Recommended dosage for normal soiling is 2-4 ml./kg. of dry load, together with appropriate amount of **CLAX 100 L**.

Our Technical Customer Service Personnel will be happy to advise on appropriate dosages and suitable wash processes for your laundry.
