

Deep Gloss

Maintainer for Stainless Steel

Ideal for cleaning stainless steel and all washable hard surfaces.

- **Versatile** - Cleans, shines and protects stainless steel and other surfaces in commercial kitchens, restrooms, elevators, laboratories, manufacturing plants and general office settings.
- **Cleans Fast and Easy** - Removes water-based or oil-based soils: grease, spots, spills and smudges.
- **Protects Surfaces** - Resists fingermarks, smudges, watermarks, soiling and dust pick-up.
- **Water-Based Formula** - Ideal for use in food service areas for non-food contact surfaces.

Applications

A maintainer especially for stainless steel. Ideal for kitchen equipment! Great for washable hard surfaces in washrooms, elevators, restaurants, offices, laboratories, manufacturing plants ...on metal, laminated plastic and enameled surfaces.

Directions for use

1. Shake well before using. Spray about six inches from surface. To prevent loss of pressure, hold can as upright as possible.
2. Wipe immediately with a clean, soft cloth. Do not let spray dry. Continue wiping until surface is clean and dry. For difficult stains, repeat application.

Product data

Colour	: Off-white
Fragrance	: Light perfume
