

TASKI[®] vento 15

Cord electric tub vacuum cleaner certified by
The American Carpet & Rug Institute (CRI)

Key features

- ▶ Multifunctional handle
- ▶ Improved air quality
- ▶ Easy to manoeuvre castor system
- ▶ A number of little extras

Multi functional handle

The functional handle design incorporates a number of features including an intuitive opening mechanism, ergonomic foot operated on/off switch and a convenient cable tidy.

Improved air quality

Machines utilise industry leading filtration system consisting of; new disposable fleece bag, filter cloth, motor protection filter and optional exhaust filter. Additional HEPA filtration is also available as an option. This results in significantly improved air quality during and after the vacuum operation as well as increased motor life.

Easy to manoeuvre castor system.

The use of two fixed rear wheels and two freely rotating castors ensures maximum stability and manoeuvrability of the new vacuum cleaner.

A number of little extras

The TASKI vento 15 features a mounting fixation for attachments to ease storage as well as a plug holder to secure the detachable power cable. The machine also comes with a set of accessories (crevice nozzle and upholstery brush) as standard.
